Dear Colleagues,

It gives me great pleasure to invite you to the "**4th Workshop on Phonosurgery**". This year, the focus will be on transoral laser phonosurgery with live surgical demonstration using the CO₂ Laser Accublade. Laryngeal framework surgery, arytenoid adduction surgery and Thyroarytenoid myoneurectomy are also on the cards. An entire day shall be dedicated to cadaver dissection wherein all the participants can hone their skills. Phonosurgery is an exciting field with very gratifying results. Do come and exchange your ideas and thoughts with the renowned guest faculty.

Dr. Nupur Kapoor Nerurkar
